

Compliance Guarantee and Warranty

Airway Labs is pleased to offer a Compliance Guarantee and Warranty Program for appliances fabricated within our in-house lab.

Compliance Guarantee – Within the first two months (60 days from shipment date) of a patient’s trial, Airway Management will credit your account, upon return of an appliance. This is valid after all possible modifications have been made, to suit the patient’s requests.

Warranty – Airway Labs will repair or remake your appliances for any defect in fabrication or materials for one year from the original shipment date at no charge. This does not include loss or damage to the appliance by negligence of the patient.

Extended Warranty – Airway Labs offers an extended three year warranty for an additional charge. Please contact an Airway Labs representative for more information.

If you have any questions or concerns, please contact our office and we can discuss this in further detail.

Sincerely,

A handwritten signature in black ink that reads "Charles F. Collins".

Charles F. Collins
